## Professional Conduct & Ethics (PC&E) Course Requirement

See Part B of your renewal form to determine when you must complete the PC&E course. If Part B states, "COMPLETION OF A BOARD-APPROVED PROFESSIONAL CONDUCT AND ETHICS COURSE IS REQUIRED FOR AN ACTIVE RENEWAL," you may select either of the following choices:

- Renew "active":** You must complete and report a PC&E course before your license expires. **Practice rights will not continue past your license expiration date unless you have met all renewal requirements and your renewal is postmarked prior to midnight on your expiration date; or**
- Renew "inactive":** PC&E is not required for inactive renewal. **You have no practice rights while your license is inactive.**

An approved course may be completed earlier than the required renewal date. However, it is important to (1) answer Question 4 in Part A on the renewal form when you have completed a qualifying PC&E course earlier than required, and (2) list the course and the approval number on Part C.
